

MAKE MY VALENTINE

VALENTINES CRAFTS

The last year has shown us making family memories are invaluable and we think crafting at home does just this! Try this easy step by step Valentine's Day Tree guide, to not only keep the kids entertained, but to help spread some love too!

You will need:

- Paper in pink, red or whatever your heart desires
- Ribbon/thread
- Paperclip
- Branches
- White spray paint
- Vase

Instructions:

1. Gather your bunch of branches and make sure they are of a similar height.
2. Lay the branches out on newspaper and spray them white, leaving to the side to dry.
3. Using your coloured paper, cut a variety of hearts, alternating sizes and colour.
4. Using the end of your paperclip, pierce a small hole at the top of your heart and thread your ribbon through.
5. Attach the ribbons to your white branches and place in your vase of choice.
6. Stand back and admire.
